

## 80° Congresso Unione Zoologica Italiana (UZI) Roma, 23-26 settembre 2019

### Premio “Giovani Ricercatori” UZI

Alsayed ALSOUDY

Smell by touch in *Octopus vulgaris*: combination of molecular and behavioral approaches

Emilia CAPOGNA

Evolutionary history of Nemognathinae subfamily (Coleoptera, Meloidae): new insights from molecular phylogeny

Leandro GAMMUTO

Multidisciplinary characterization of a novel ciliate endosymbiont: candidatus *Pinguicoccus supinus* a verrucomicrobial species with highly reduced genome

Lucia PIEMONTESE

Identifying native predators of the alien pest *Halyomorpha halys* (Hemiptera, Pentatomidae) with real-time PCR assay

Giulia SIMBULA

Molecular identification of *Mesocestoides* spp.: first case report from an Italian wall lizard (*Podarcis siculus*)

### Premio “Giovani Ricercatori” UZI-IEMEST

Alessandra ALEOTTI

Functional characterisation of a vasopressin-oxytocin-type neuropeptide in the crinoid *Antedon mediterranea*

### Premio “Giovani Ricercatori” UZI-CSFI

Valerio CARUSO

Fauna d'Italia: Tachinidae

### Premio UZI UTET Università I Edizione

Nicola TOMMASI

Let it bee: un approccio “citizen science” per il monitoraggio degli impollinatori

Maria Luigia VOMMARO

Coleotteri Carabidi: sentinelle della salute degli ecosistemi agricoli
